

FERMENTIS

NOP DECLARATION

Fermentis' active dry yeasts:

Safoeno Saint-Georges S101
Safoeno CK S102
Safoeno BC S103
Safoeno VR 44
Safoeno UCLM S325
Safoeno UCLM S377
Safoeno SC 22
Safoeno NDA 21
Safoeno Traditionelle
Safoeno Accent

We confirm that our active dry yeasts listed above are considered **Non-GMO** following EEC regulations.

They contain **no GMO enzymes, have not been solvent-extracted, synthetically preserved or irradiated. They contain no artificial flavors or colors.**

These products comply with NOP regulation 7 CFR 205.605 (a) (Nonagricultural (nonorganic) non synthetic substances allowed as ingredients in or on processed products labeled as "organic" or "made with organic") as there was no sewer sludge, petrochemical substrate, or sulfite waste liquor involved with any step of production.
